INSTITUTE OF FOOD TECHNOLOGISTS

The Society for Food Science and Technology

Suppliers' Night 2010

Exhibitor Directory and Event Map

April 1, 2010 - One of the Largest Regional Supplier's Night events will be held in Frisco, Texas at the [Embassy Suites and Convention Center](#). There will be over 300 exhibiting companies showing ingredients and services to the food industry. This year's exhibitors also include the largest showing of equipment providers to the food industry we have ever had. The convention show hours are from 3:00 to 8:00; however, technical sessions begin that morning at 9:00 AM. To see a listing of the great topics that Becky Pfundheller of Analytical Food Labs has put together for you this year, visit: <http://www.longhorn-ift.org/registration/LIFT2010TECHPROG.pdf>.

There will be a Job Fair this year, a New Professionals and Students Mixer and a Post Expo Hospitality Mixer at the conclusion of the show.

Remember, the show is free to attend and there are free food and drinks provided at the show. The average attendance is around 1,500 individuals mingling with the over 300 exhibiting companies and their attendees. Whether you just want to connect with some industry peers, your looking for some new supplier's or in the market for some new equipment, this is the show for you. Typically attendees travel from all over the states of Texas, Oklahoma, Louisiana and Arkansas to attend this show. Be sure to make sure everyone you know is aware of it. Thanks and I look forward to seeing you at the show.

Also, Don't Forget to Save the Date for next year's Supplies' Night which will be September 29, 2011.

A Great Big Thank You to our Longhorn IFT Suppliers' Night 2010 Sponsors
